

This is the examination of Essential skills:
L^AT_EX

Florian Ecard, 10874763, Master SNE, UvA

2014

UNIVERSITY OF AMSTERDAM

Contents

1	Introduction	3
1.1	General aim	3
1.1.1	aim of this report	3
1.1.2	What is expected from us	3
2	Contribution	4
2.1	Table, Maths and picture	4
2.1.1	Table	4
2.1.2	Mathematics	4
2.1.3	Figure	5
3	Conclusions	6
3.1	What was this?	6
3.1.1	What did we do?	6

Chapter 1

Introduction

1.1 General aim

1.1.1 aim of this report

- In this exam, the following will be investigated:
 1. Being able to create a short report
 2. Containing different parameters such as an image, a table etc.
- If you prove your skills then you should be able to pass this exam.

1.1.2 What is expected from us

Having two research projects to do, it is important to be able to present a report properly. Latex is very useful and easy to use for these purposes and this is why we learn it and that it is part of our essential skills.

Chapter 2

Contribution

2.1 Table, Maths and picture

2.1.1 Table

Is this going to be corrected? do you hope so?	Nothing's less sure.. Hell yeah!
---	-------------------------------------

Table 2.1: Is my exam going to be corrected?

1. Does this table looks nice?
2. Or this table doesn't?
3. I don't really know what to write here ...

2.1.2 Mathematics

- $x = \frac{x+z/2}{y^2+1} \quad (1)$
- $y = \frac{y+n/2}{x^2+1}$

2.1.3 Figure

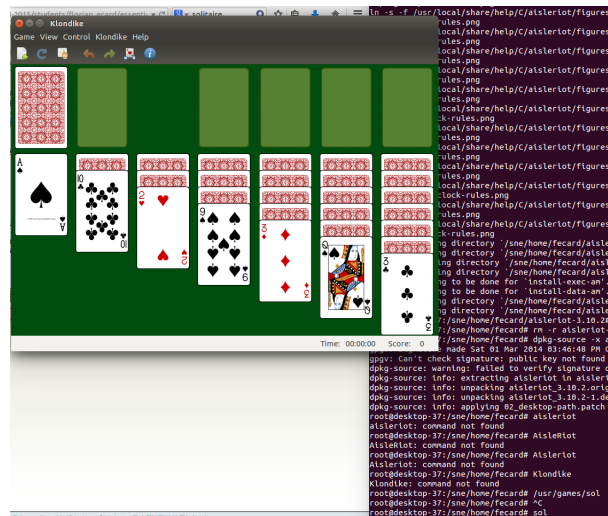

Figure 2.1: Image of the downloaded game for the build tools Assignment

Chapter 3

Conclusions

3.1 What was this?

We covered how to create a nice document with \LaTeX

3.1.1 What did we do?

- This was a nice exam
- The following topics were covered:
 1. Provide the correct syntax of a good report
 2. Show tables
 3. Show images
 4. Show mathematics
 5. Give a table of contents, and bibliography

Bibliography

- [1] `wget http://goo.gl/QMRWRs -O uva.jpeg` **Which is in page 1**
- [2] The table is in page 4 in section 2.1.1
- [3] The maths are in page 4 in section 2.1.2
- [4] The image is in page 5 in section 2.1.3
